About the Agent:

Nate Krick found his passion for the outdoors at a young age, as he spent every bit of “free time” he had outside learning to bow hunt, fish, and appreciate many aspects of nature from the men in his life. From hunting trips with his brothers, dad, and grandpa as a child to now successfully co-owning his outdoor media production company, Identical Draw, Nate has experienced the ins and outs of what farming, recreational, and agricultural land has to offer. Nate has developed skills to properly manage his family hunting land through timber stand improvement, prescribed fire, and regular maintenance to enhance the land for wildlife to thrive. Nate learns from and works with professional outdoorsmen, and creates lasting relationships based on honesty, integrity, and kindness. With this background, Nate has carried over his vast knowledge and experiences into caring for the people he serves as a licensed agent in Nebraska and Kansas through American Legacy Land Co. .

Nate currently lives in Lincoln, Nebraska with his wife, Makayla, and two young children, ReyAnna and Callahan. Spending time outdoors as a family has been a priority for Nate from the start, and they regularly make the trip to the family land in Kansas to get some fresh air. When at home, you'll find Nate searing a deer steak on the cast iron, picking a James Taylor song for his kids on the guitar, or going for a run around the neighborhood. At the end of the day, Nate entrusts the Lord with all the things he loves and he is grateful to meet and work with some incredible people through land real estate.
